**Subject: Decision regarding Vision, Mission and Core Values of DIU**

### **Description:**

As per decision of the 96<sup>th</sup> meeting of the Deans' Committee (held on July 18, 2023), I am directed to inform you that the statements for Vision, Mission and Core Values of DIU has been approved by DIU management. The statements are as follows:

### **Vision:**

A centre of excellence through up-to-date, technology-based and student centric education of global standard, research and internationalization.

### **Mission:**

- Providing students with educational opportunities and practices that prepare them for a rapidly changing world;
- Promoting a world-class education system through a culture of innovation and internationalization;
- Contributing to the advancement of knowledge and sustainable development through research and innovation;
- Empowering students and researchers to make a positive impact on society and to lead the way towards a brighter future for all; and
- Maintaining industry-academia linkage for learning and research leading to successful career.

### **Core Values:**

- **Excellence:** Pursuing world-class standards in all aspects of education, research and innovation with an aim to be a leading global centre of excellence;

- **Interdisciplinary approach:** Encouraging interdisciplinary collaboration and innovative thinking to solve complex problems and to advance knowledge;
- **Internationalization:** Embracing cultural diversity and promoting internationalization through provisions of scholarships and exchange of students and faculty;
- **Technological advancement:** Embracing technological advancements and providing cutting-edge resources and tools to enhance learning and research experience;
- **Innovation:** Fostering a culture of innovation, creativity and entrepreneurship among all including students and faculty;
- **Social responsibility:** Promoting social responsibility and sustainable development through empowerment of students and researchers to make a positive impact on society in order to address social and environmental challenges; and
- **Industry-academia linkage:** Establishing strong industry-academia linkages to facilitate knowledge sharing, employability as well as teaching, learning and research.
